**It can be daunting thinking about your next step, but at ACT we offer a range of qualifications aimed at getting young people work-ready!**

If you're 16-18 years old and need a helping hand into employment, then it's time to talk traineeships!

The background features a dark blue field with several large, overlapping circles in vibrant colors: purple, teal, orange, yellow, and light blue. The text is centered over the orange circle.

# Why consider a traineeship?

# Earn while you learn

A traineeship is a fantastic training programme that equips you with the skills, confidence and experience needed to progress onto an apprenticeship, or land your dream job. You will receive employability training and all the support you need to progress onto the next stage in your life - **all while being paid!**

# Online sign up

With our Digital Sign Up system, you can enrol onto any of our courses online with the support of our experienced Opportunities Advisors. They will be on hand to guide you through the process and answer all your questions.

# Safe learning environment

ACT offers an engaging and interactive learning experience, featuring both in-person and online learning. Your safety is our number one priority, so rest assured when your learning takes place in one of our centres, we offer a totally safe and fully supportive learning environment.

# Wellbeing support

We all need a little support from time to time and at ACT we have a fully qualified team who do just that! From counselling through to wellbeing activities, our Care, Support & Guidance team will help and support you in any way they can.

# What we offer

We offer **three** different traineeship levels to make sure you get the support that's right for you. As part of your traineeship you can choose to study one of the following exciting subject areas:

**Automotive  
Engineering**

**Animal Care and  
Land Based Studies**

**Business  
Services**

**Information  
Technology**

**Hospitality  
and Catering**

**Care**

**Beauty, Hairdressing  
and Barbering**

**Construction**

# What is an apprenticeship?

**An apprenticeship is a great work-based learning programme that enables you to learn on the job and achieve a nationally recognised qualification, while earning a salary.**

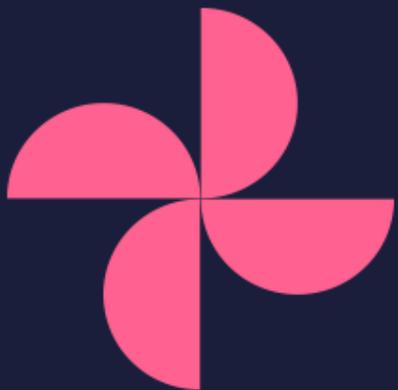

The apprenticeship you undertake will depend on your current skills, qualifications and the role offered by the employer.

# Earn up to £25,000 a year on an apprenticeship!

We offer apprenticeships across 30 different sectors, allowing you to gain professional qualifications whilst earning.
