

Dear Parents/Carers

## Re. Survey for Reopening on Monday 29th June 2020

I hope you are well.

Following on from my letter on Monday 8th June where I outlined our initial thoughts on reopening, I am pleased that we have now finalised our detailed plans. Before we share these plans with you, they need to be checked by the local authority. In line with all Newport schools, we will be releasing the full details in my weekly letter on **Monday afternoon**.

In the meantime, we would like to gauge the number of students who we are expecting to return to school for the four weeks and ask you to fill in this [survey](#) by **Tuesday 16th June 1200**.

We are in the process of preparing the school to ensure we adhere to all the new health and safety advice before reopening. Details of these changes to our school environment will be included in my letter on Monday.

I will write to you again on Monday afternoon.

Have a lovely weekend. Stay safe.

Yours faithfully

Mr Curtis  
Headteacher/Pennaeth
