

Dear Parents/Carers

Re.: Reopening Survey and Information for Students

Thank you to the parents who have responded to our reopening survey.

We have opened up the survey again to give a further opportunity for those who haven't responded to indicate whether you will be sending your child to school when we reopen on 29th June.

If you haven't already done so, please can you complete the [survey](#) by **Tuesday 23rd June 0900** so we have a clear idea of the numbers we are expecting.

We feel that it is really important that we have face-to-face contact with all students. The final four weeks of term will be crucial in ensuring our students are prepared for the new academic year. We have been told that it is highly likely that schools will not fully reopen and function as normal in September. We need to prepare our students over the remaining weeks of the summer term for the "new normal". We are really looking forward to seeing them.

Please can you also take the opportunity to read through with your child the [Information for Students](#) document that clearly sets out the process for returning to school.

Yours faithfully

Mr. D. Curtis
Headteacher/Pennaeth
