

Welcome to...

We are the Geography Department

Mrs Parry-Jones

**Head of
Geography**

Mr McGrielle

Mr King

**Year 7 Progress
Leader**

Mrs Ceasar

**Assistant Head
Teacher**

Miss Davies

**Year 10 Progress
Leader**

What is Geography?

“Geography” is made up of 2 Greek words:

- Geo - Earth
- Graphy - writing and description

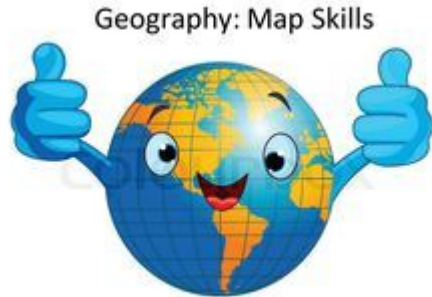

It is a subject that studies the Earth and its processes, and the relationships between humans and their physical environment...

What will I study in Year 7?

In Year 7 Geography we will:

- Learn map skills that we will use right up until Year 13 and beyond
- Complete fieldwork on Caerleon Road
- Study our country of Wales
- Look at global issues that affect us and the world around us

What do we study in Geography?

Wales

Water

Weather

Flags

Countries

Industry

Coasts

Maps

Population

Rainforests

Rivers

Tourism

Earthquakes

Settlement

Environment

Shopping

Flags

The first step to being a good Geographer is to be...

Who?

What?

Where?

Why?

When?

How?

Nosey!

What questions could we ask about this photo?
