

# So Who's Who?

## **The School Structure**

This is probably a question you and your child will ask a lot for a while. There are lots of staff in this large comprehensive school, and not all of them will be teaching you.

Some of these members of staff have designated jobs to do for the school, as well as teaching classes. There will be some members of staff who look after each year group, some that cater the school and those who do the admin for the school.

As with every school, our structure has a Headteacher who is responsible for the entire school, then other teachers and members of staff with specific roles.
