

Dear Parents/Carers

Re: Reopening of Schools

Hope you had a good weekend. We welcome our Year 7 students back today and look forward to seeing the other year groups later in the week.

We have produced a [film](#) for you to watch which gives you an insight into the new school set up. We encourage our students to watch it to fully prepare for returning.

Home Learning

We have set one three-week [block of work](#) which will cover the final three weeks of the summer term. The weekly face-to-face sessions will complement the work set online. Please encourage your child to have one final push to complete the work set before they break for six weeks..

Students need to check their email daily and log on to Google Classroom to complete their work.

Student Contact

If your child does not attend school for the face-to-face sessions, our staff will contact home to ensure they are able to access the work online.

Recorded or Streamed Lesson

A reminder that students in Year 9 and Year 10 will receive a one hour lesson that has been recorded or will be streamed each week for the next three weeks. Your child needs to log on to their Google Classroom account between 1300-1400 to access this lesson. If you do not give permission for your child to partake in a live lesson, then please can you contact your child's Progress Leader.

	Week 1	Week 2	Week 3
Wednesday 1300-1400	Year 10 Option A	Year 10 Option B	Year 10 Option C

Thursday 1300-1400	Year 9 Option A	Year 9 Option B	Year 9 Option C
-------------------------------	--------------------	--------------------	--------------------

Year 6 Transition

We have planned face-to-face sessions for all our new Year 7 students throughout the next three weeks. We are pleased that these Year 6 students have an opportunity to see the school, get to know their new classmates, and meet their new progress leader and form tutor. More information can be found on the [transition page](#) of our website.

Planning for September

We have not yet received any further indication from Welsh Government on the arrangements for September. We are busy planning for a number of different scenarios. We will share information with you as soon as we have it.

In the meantime, I hope your child enjoys their return to school. If you need to contact us, school telephone lines are operating from 0800-1400 each day until the end of term or you can email info@stjuliansschool.co.uk

Have a good week. Please take care and stay safe.

Yours faithfully

Mr. D. Curtis
Headteacher/Pennaeth
