

Dear Parents/Carers

Covid-19 Update

We welcomed back our Year 7 students this week, and it has been lovely to see them all again and engaging well in their lessons.

If we are informed of a positive Covid-19 test, then we will contact you immediately through email, website and social media. Students will then revert to home learning, similar to when we were in lockdown. Our website is now up to date with distance and blended learning for every year group.

Please see the latest guidance [here](#).

Face Masks

Please can you join us at home in encouraging our students to bring a face mask into school. We are happy to hand out disposable masks where students have forgotten theirs but we will get to a point where we will have limited stock.

Engagement Evenings

Due to the current situation of the local lockdown and the numbers we are allowed in school, we will not be holding face-to-face engagement evenings this term. We have, however, put together a video for parents/carers to watch, this will be available on our website and social media from Monday 28th September 2020. In addition, our Year 7 Tutor Evening will be via telephone; more information will be sent out to parents next week.

And finally

I hope you enjoy the weekend and we look forward to seeing the students on Monday.

Yours faithfully

A handwritten signature in black ink, appearing to read 'D. Curtis'.
