

23 October 2020

Dear Parents/Carers

We have eventually reached our half term break. I am sure our young people are ready for their week off. We have been really pleased with the vast majority of our students who have worked hard over the last few weeks and settled back well to normal school routines after their long time out of school.

### **Covid 19**

We have unfortunately had two positive cases of Covid 19 in school this week affecting Year 8 and Year 11. Parents of these two year groups have been sent letters indicating how long they need to self isolate.

### **Covid Test Results during Half Term**

If your child does receive a Negative test result, please send a screenshot to [info@stjuliansschool.co.uk](mailto:info@stjuliansschool.co.uk) as soon as possible.

If your child receives a Positive test result, please send a screenshot to [covid19@stjuliansschool.co.uk](mailto:covid19@stjuliansschool.co.uk).

### **National Tests Update**

The past two weeks have seen Key Stage 3 students completing National Tests in Reading and Numeracy. Unfortunately, not all of the classes have been able to do this due to technical difficulties with the Hwb Wales Platform. The students that this has impacted upon will get the opportunity to complete the tests when they return to school after half term.

### **And finally ...**

I hope our students have a good rest over the half term break. Please refer to yesterday's letter outlining the arrangements for the week after half term.

Have a lovely break.

Yours faithfully
