Dear Parent/Guardians

**Re. End of Term Update**

We have been informed this afternoon that Welsh Government has decided that all secondary schools are to close for face-to-face teaching and move to distance learning between Monday 14th December to Friday 18th December 2020.

Tomorrow will be our last day of term for face-to-face teaching. Online learning will be via Google Classroom next week.

Further information about how the school will operate and support all learners will follow tomorrow.

Yours faithfully
