15 January 2021

Dear Parents/Carers

We've received lots of positive comments from staff about the improved engagement with distance learning. Well done to all those students working hard at home.

Our staff have really missed face-to-face teaching and have enjoyed being able to see and speak to students in the virtual classroom. Seeing a face on the other end of a screen hopefully helps students connect with their teachers and vice-versa. Therefore, if students have a camera on their device, we really encourage them to have it on during a live lesson.

Health & Wellbeing

We have compiled some guidance and information on our website, to support our St Julian's School students, parents/carers and also our wider communities to feel happy and healthy. Please have a look on our website, under the Distance Learning section where you will find our [Health and Wellbeing guides](#).

Reading Resources Guide

We encourage our students to read as much as they possibly can. Please see our [guide](#) to a wide range of reading resources that your child can access online during the lockdown. In addition, you will find a link to our Reading Skills poster explaining the Reading Skills students will develop in their lessons across the curriculum.

Year 9 Pathways

Y9 students will be receiving their Pathways packs in the post today and will be making their subject choices for KS4 over the next fortnight supported by their Pathways Advisor. Information regarding this process can be found [here](#). As stated at the end of the letter, if

any Y9 student or their parents/carers have any queries or questions, please contact their Pathways Advisor.

And finally ...

Don't forget to contact us if you have any concerns about your child's wellbeing or if you need any support or advice with home learning. Please email your child's progress leader or call the school on 01633 224490; lines will be manned during normal school hours (8am-4pm) as usual.

Have a good weekend. Stay safe.

Yours faithfully

Mr. D. Curtis
Headteacher/Pennaeth
