Dear Parents/Carers

I hope you and your families are well. We have reached the end of the third week of our lockdown and are at a point where we would like to gauge the effectiveness of our online provision. As part of this process, we would like feedback from a parental perspective. If you would like to give us your views on our current provision, please complete this [survey](#) by 1600 next Wednesday 27th January. We will be carrying out a similar exercise with students through a survey that will be sent to them directly via their progress leader.

Last summer, I held a **parent forum** online to speak to parents about the provision that we had in place during the first lockdown. This meeting went well and provided us with valuable information that we used when reviewing our online provision. I intend holding another parent forum on **Tuesday 2nd February from 5pm-6pm**. If you would like to attend this meeting to share your experiences of online learning provided by St Julian's School, then please contact the school using this email address to book your place, [parentforum@stjuliansschool.co.uk](mailto:parentforum@stjuliansschool.co.uk)

If you receive a "no caller id" call on your mobile, please be aware that it is highly possible that it is the school ringing to speak to you or your child.

### **Y9 Pathways**

All Year 9 parents should have received a telephone call from their child's Pathways Advisor this week scheduling an online meeting or further call next week to discuss and finalise option choices. In advance of this, please ensure your child has read through our Pathways booklet and checked out further information on our website too.

### **And finally ...**

Don't forget to contact us if you have any concerns about your child's wellbeing or if you need any support or advice with home learning. Please email your child's progress leader or

call the school on 01633 224490; lines will be manned during normal school hours (8am-4pm) as usual.

Have a good weekend. Stay safe.

Yours faithfully
