23 April 2021

Dear parents/carers

Year 11 and Year 13 Leaving Dates

The Local Authority has confirmed that **year 11** and **year 13** are not required to attend school after the Whitsun half term break; therefore, teaching for these year groups will end on **Friday 28 May 2021**. However, the fortnight after Whitsun, **Tuesday 8th to Friday 18th June**, may be used to invite students into school to complete missing assessments or gather final pieces of evidence. Students will need to ensure that they are available during this period in case they are required to attend school.

11LDC will be attending school fully until **Friday 18th June** to complete their entry courses. BTEC classes will also be expected to attend their lessons if their units are not fully complete.

In addition, we are also exploring opportunities for **year 11** students wishing to return to our Post 16 to attend bridging units later in June and July: again more information will follow.

Year 12 students will remain in school until **Monday 19th July**. Once their provisional CDGs assessments are completed, and grades submitted, they can move onto their A2 studies.

Covid 19 Reminders

A reminder that parents are not allowed on the school site without an appointment due to Covid-19 restrictions.
