Dear parents/carers

Our Year 11 students returned to school yesterday for the ROA ceremony. It was a pleasure to welcome the students to this long standing and traditional event at the school. The students dressed up in their finery to attend the event which was conducted online and broadcast live from the hall to the Year 11 students who were based in their form rooms. The theme of the ceremony was "ambition" which is one of our school values. The students received their leavers' certificates, listened to speeches, enjoyed online musical performances and spent time celebrating with friends. An enjoyable afternoon for all.

We conducted a similar event for our Year 13 students today. Celebrating their seven years at the school, the students enjoyed an afternoon with their peers reminiscing about their time at St Julian's School and looking forward to the future.

Next week, the school reaches a remarkable milestone as it celebrates its 110 years' anniversary of which 80 years have been on its current site.

I hope you have a good weekend.

Yours faithfully
