2 July 2021

Dear parents/carers

We have spent the last two weeks meeting all our new Year 7 students in groups of 30 on different evenings. They spent some time after school in their new forms meeting new friends and key staff as well as familiarising themselves with the school building. We look forward to them joining us in September.

National Test Results

Nearly all Key Stage 3 students have completed their National Reading and Numeracy tests. There are still a few students who need to sit at least one of the tests and that will take place over the next two weeks. For those who have completed the tests, your child(ren)'s feedback is now available through the Hwb website. You will need your child(ren) to log into the [Hwb](#) website and select Personalised Assessments and then choose 'Learner Feedback'. The progress report for the National Numeracy tests is also available now, but the National Reading test progress report will not be available until the autumn term. Further information can be found [here](#).

Immunisations update

Immunisations for Year 9 students will take place on Monday 5th July. Year 8 immunisations have been postponed until September. If you have yet to complete the consent forms, please do so and return to student reception.

I hope you have a good weekend.

Yours faithfully

A handwritten signature in black ink, appearing to read 'D. Curtis'.

Mr. D. Curtis
Headteacher/Pennaeth
