8 October 2021

Dear parents/carers

We held a successful online tutor event yesterday evening. I hope the parents who attended found the feedback on their child's first few weeks in school helpful.

There will be an opportunity to meet with all your child's teachers at the online progress evenings in the spring and summer terms.

Year 9 Careers Event

Some of our Year 9 students took part in a careers trip this week. We had excellent feedback from the event organisers who were full of praise for our students; they commented that their behaviour was excellent. Well done to all those students involved.

Qualification Wales Update

For students in Year 11, Year 12 and Year 13, the Welsh Government has provided further information on the exams in the summer term. Please see this letter from Qualifications Wales [Letter to learners](#)

Parent/Carer Conduct

We are fortunate that we have strong relationships with the vast majority of our parents/carers. When there are disagreements with school, we are almost always able to find a solution or reach an agreement on a way forward. However, on occasions, staff at the school are exposed to overly-negative, aggressive and/or threatening interactions with parents either face-to-face, on the phone, or via email. Please note that staff have been instructed to end all interactions with parents/carers who behave inappropriately. Positive relationships between parents and school are vital to ensure we support our young people through their education.

And finally ...

Please contact the school if you have any general queries. The school phone lines are open from 0800 to 1600 (1530 on Fridays) on **01633 224490** or email on **info@stjuliansschool.co.uk**. For more specific queries related to your child, you may contact your child's progress leader (email addresses are on the school website). Updates are also posted on our twitter account: @stjuliansschool .

Have a good weekend.

Yours faithfully

Mr. D. Curtis
Headteacher/Pennaeth
