

1st December 2021

Dear parents/carers

Estyn Inspection Update

I am delighted to share some excellent news with you regarding our recent Estyn inspection. The school has been judged to have made sufficient progress to be removed from the list of schools requiring special measures.

The inspectors endorsed the school's recent approaches to school improvement and acknowledged the real improvements in teaching, leadership and skills. Inspectors commented on the improved standards of students' work and how the quality of teaching is impacting successfully on students' learning. In addition, the inspectors expressed their confidence in the school leaders to drive further improvements and build on our current success.

Congratulations to all our staff, governors and students. Thank you to our parents and carers for your support.

A copy of the report has now been placed on the Estyn website which can be found [here](#).

We look forward to working with all our school community to continue to provide a quality education for all our young people and ensure the school goes from strength to strength.

Yours faithfully

A handwritten signature in black ink, appearing to read 'D. Curtis'.

Mr. D. Curtis
Headteacher/Pennaeth
