18 March 2022

Dear Parents/Carers,

Our students have enjoyed their non-uniform day in aid of Comic Relief. Thank you to our parents and students for their contributions to this worthy cause.

Exams Support

As I have shared with you previously, we now know that external exams will go ahead this summer. There is, of course, a very slight chance that the pandemic worsens again and impacts on education but this is thought to be unlikely at present. Therefore, all schools are in the process of preparing their students for the exams.

For most students, this is the first time they will experience external exams and sit papers in the exam hall. Our students in Years 10 to 13 have been informed of the exam schedule for the summer and are being supported through tutorial activities. Year 10 and Year 11 have additional mocks for English literature and science in order to see the processes and expectations of the exam hall whilst practising completing exams in timed conditions. Parents and families can support at home too. Please find information [here](#) on how you can support your child through this pressured time in order for them to feel confident and fully prepared for their exams and so they can excel and achieve the grades they deserve.

Health & Wellbeing Survey

The Welsh Institute of Physical Activity and Sport (WIPAHS) are inviting students to participate in a study looking at the long-term effects of COVID-19 on children's mental health, well-being and physical activity levels. Please use this [link](#) to access further information from the WIPAHS and the [link](#) to parental consent.

And finally...

Please contact the school if you have any general queries. The school phone lines are open from 0800 to 1600 (1530 on Fridays) on 01633 224490 or email on info@stjuliansschool.co.uk

For more specific queries related to your child, you may contact your child's progress leader (email addresses are on the school website). Updates are also posted on our Twitter account: @stjuliansschool.

Yours faithfully
