

5 April 2022

Dear Parents/Carers,

Year 8 Closure - Wednesday 6 April 2022

Year 7 Closure - Thursday 7 April 2022

Year 9 Closure - Friday 8 April 2022

We have had to make the difficult decision to ask our Key Stage 3 year groups to work from home for one day each this week due to increasing levels of staff absence and a shortage of supply cover.

This means we will be reverting to online learning for **Year 8** tomorrow, **Wednesday 6 April 2022**; **Year 7** on **Thursday 7 April 2022** and **Year 9** on **Friday 8 April 2022**. These specific days have been chosen for year groups based on known staff absences over the coming days.

As a result of this, all Year 7, 8 & 9 students will **work from home** on their respective days. Students can access work for the lessons via their **Google Classrooms**.

Your child's teacher will endeavour to set work in the Google Classroom before each lesson or within the first 10 minutes of the lesson. Please encourage your child to complete the work set and contact their teacher via email if they need help. [Google Classroom codes](#) for all classes can be found on the school website.

Our Key Stage 4 and Key Stage 5 year groups need to remain in school due to upcoming external exams. Our LDC students are also expected to attend school each day as planned.

Please note that this is a one day closure for each year group: students are expected to attend school on the other days this week.

Yours faithfully
